

Counterfeit National Bank Notes

Society of Paper Money Collectors

The following is a list of all of the large-size counterfeit National Bank Notes presented to the U.S. Treasury Department for redemption.

Prospective purchasers of any note listed are advised to carefully exam the quality and workmanship of the note.

This list was compiled by Ronald Horstman in 2003 for the Society of Paper Money Collectors, and is intended for the benefit of the general public. This information was derived from documents in the public domain. *Updated November 29, 2003.*
